

# DIGITAL LEARNING PARENT GUIDE

## What is expected of me?

- I should encourage my child to submit work regularly for each subject (based on work issued by teachers)
- Encourage a good routine for learning, by establishing suitable times for school work at home

## How will my child submit the work?

- By using **GLOW** - see link on the school website
- By using **Show My Homework** – see link on the school website

Guides to using Glow can be found at

Please contact Mrs Lynch if your child is experiencing IT issues with Glow or Show My Homework:

[**Note:** Did you know that ALL learners are entitled to download the **full version of Microsoft Office** on up to 4 computers **FREE** via Glow? Information on how to do this can be found in the **glow-for-learners pages** – link shown above.]

## What if my child does not submit the work?

- I may be contacted by the school and support will be offered.
- I can contact the school myself for support.

**Note:** Please don't worry about what you or your child can/can't do. These are unusual times. We can only do our best. Try to check twitter, facebook and the school website regularly for updates.

If I am really worried about anything or wish to speak to someone,  
I can contact the school on **0141 582 0140**
