John McGhee

Dear Parent / Guardian

24<sup>th</sup> August 2020

I am writing to say a massive thank you to you for the help you have given the school in returning your children to us so beautifully turned out. The behaviour of the children has been impeccable and they have assisted greatly in carrying out the the procedures now required to keep the school be as safe a place as it needs to be during this world wide pandemic. Almost without exception every young person has followed instructions to the letter.

I am sure you will have had anxieties in returning your child to school in the current climate and I hope you have been reassured with the procedures we have put in place.

As you will know there has been one positive case of Corona Virus which the NHS Test and Protect team do not believe was picked up in school. At present the young person is isolating at home. Any other pupil or member of staff who has been a close contact of this young person is also now isolating at home, as per government advice.

I would ask you to ensure that you listen only to advice coming from the school or the NHS. There have been a number of stories circulating on social media that are without any truth whatsoever. Unfortunately a number of these stories have been circulated by adults with absolutely no connection to the school which is extremely disappointing.

If you are in any doubt about any matters related to this event please do not hesitate to contact me at the school directly.

I hope that you and your families are well and continue to be safe.

Yours sincerely

A handwritten signature in black ink that reads "John McGhee." The signature is written in a cursive style.
