Acting Head Teacher
Mr D Owen

24 January 2022

Dear Parent/Carer

I am writing to inform you about the opportunity your child has to personalise their curriculum in the following two areas as they progress from S1 into S2:

TECHNOLOGIES and EXPRESSIVE ARTS

The young people are asked to select two of the subjects they are currently studying in each area. The purpose of this choice is to allow the young people more time in the subjects in which they have greatest interest. The young people will be supported in these choices over the next few weeks by their pupil support teacher and subject teachers.

I would encourage you to discuss with your child the subject choice available to them in Technologies and Expressive Arts.

For your information I have included an information leaflet outlining the curriculum and showing the choices available.

In addition to this, the following resources have been uploaded to our school website and the S1 Year Group Team.

- Options form
- Options Powerpoint presentation
- BGE Subject Information and Pathways booklet

Thank you for your continued support and cooperation. If you would like to discuss this process in greater detail, please do not hesitate to contact your child's Pupil Support teacher. Options will not be finalised until Friday 11 Feb once agreed with parents & carers.

Yours faithfully

S McRae
Depute Head Teacher
