

Work Experience Opportunities

It may be some time before the traditional work experience of physically attending the location resumes. However, many of you will still want to gain some experience regarding key skills employers look for and information for your applications or CVS. On-line work experience is something to consider!

- If you are interested in any of these, please contact Mrs Dick on gw10dickezza2@glow.sch.uk

Some are open to all schools across UK, so places will be limited.

Health sector - Non clinical roles
