

- The college is providing regular updates to staff and students during the college closure. You can find our guidance and information <https://www.cityofglasgowcollege.ac.uk/coronavirus-update>
- Due to the lockdown, we suspended face-to-face interviews for new students. We have moved to telephone interviews and direct offers depending on applicants meeting the course entry requirements and on availability of places on the course. We are still accepting applications for some 20-21 courses. Applicants can apply <https://www.cityofglasgowcollege.ac.uk/user/login>
- 
- We have continued our counselling service with phone appointments. Also, we have recruited another counsellor to expand upon our service. Both College staff and students now have access to 24/7 support for mental health with the <https://www.bigwhitewall.com/>
- 
- We are continuing to support students' finances with bursary payments and applications for discretionary funds. Funding applications have now opened for 20-21 courses. <https://www.cityofglasgowcollege.ac.uk/studying-city/student-funding>
- 
- Our Students' Association is continuing their excellent work with the creation of their Student Engagement Off Campus [newsletter](#) and a [resource hub](#) for students to find support with diet, exercise and mental health. <https://spark.adobe.com/page/cSeXHH2E808wL/>
