13th August 2021

Dear Parent / Carer

We are looking forward to young people returning to school on Monday at 8.45am.

I thought it would be helpful to share some information prior to young people returning.

Firstly, in relation to our approach to COVID many of the mitigations in place prior to the summer holiday will remain in place at least for the next six weeks. Practically this means that we would wish young people to wear masks when in class and in the corridors. Some young people have exemptions from this and as always, we will be happy to accommodate this.

We would also wish for young people to test twice weekly using lateral flow tests. Pupils can get these within the school.

The government has now relaxed rules in relation to participation in indoor PE and therefore young people will be allowed to take part in all activities in PE.

We are looking forward to seeing all our young people for a new academic year which we hope through time will be more like the experience that we all wish for our young people and a range of activities beyond the core curriculum will be on offer.

In the meantime, can I thank you for your continued patience and support and look forward to seeing you in the coming year.

Yours sincerely

A handwritten signature in black ink that reads 'John McGhee.' with a small flourish at the end.

John McGhee
