Dear Parent/Carer,

Sharing Provisional Results with Senior Phase Students

I am writing to inform you that provisional results from this year's SQA Alternative Certification Model will be shared with students on Friday afternoon in John Paul Academy via letter.

If there are any discrepancies, pupils must inform their Pastoral Teacher/ Year Group Head by end of day on Monday 21 June 2021. It is important that each student carefully checks their letter for accuracy. Please note that Provisional Results at this stage apply only to National 5, Higher and Advanced Higher Courses.

The young people of John Paul Academy have worked exceptionally hard throughout this term; they have shown high levels of work rate and determination during their assessments over the last couple of weeks. I would like to thank them for their exceptional effort during this time. I would also like to thank you as parents / carers for your continued support of the school and take this opportunity to reassure you that staff in our school have worked exceptionally hard to ensure every young person is given the opportunity to give and do of their best during their assessments.

The process for our school has been thorough and robust. Students have been assessed using assessments, which have been validated within the authority as well as at the national standard set by the SQA. Furthermore, our young people were well prepared and carried out their assessments under controlled conditions. The marking and quality assurance process has included moderation and verification sampling again with schools within the authority and the SQA. The provisional results awarded are based on demonstrated attainment undertaken during this time and in line with the Scottish Qualification Authority guidance.

I hope that the information above reassures you of the confidence that we, as a school, have with regards to the students' provisional results.

This year's appeals process can be accessed here:

Copies of this information have been sent to the home address of each individual pupil.

The Scottish Qualifications Authority will issue results certificates and texts on Tuesday 10th August. I would encourage students to sign up to 'MySQA' to receive the text messages and any relevant updates; this can be accessed using the link below:

Once again, I would like to thank you for your continued support and take this opportunity to wish our students in S4-S6 the very best in their upcoming provisional results.

Yours Sincerely
