

Pathway Apprenticeships

We are delighted to announce we have been successful in our bid for the newly created apprenticeship framework - **Pathway Apprenticeships**.

This initiative is aimed at school leavers who would like to pursue an Apprenticeship but are finding it difficult to gain employment, the framework consists of the following

- Industry specific skills
- Pre-apprenticeship training
- A SQA accredited qualification (learners will achieve a Foundation Apprenticeship qualification)
- 6 month duration
- Minimum 25 hours per week
- Weekly training allowance of £100 per week

The sectors we are delivering Pathway Apprenticeships in are – **SSCYP, Information Technology (Software), Business Skills with Digital**

Pathway Apprenticeships – Business Skills (including Digital)

A Pathway Apprenticeship is an innovative programme designed to support individuals who have reached their statutory school leaving age up to the age of 18 by allowing individuals to gain an industry recognised, endorsed route to an apprenticeship and sustainable employment.

You will gain knowledge, skills and experience through a series of experiential learning opportunities, including industry projects and work placements. Following successful completion, you will have gained a SCQF Level 6 qualification and will have gained valuable insight and experience into the world of work.

*people registered in the Kickstart Scheme (16 – 24 years old) are also eligible

Course Details

- 25 hours per week
- £100 training allowance per week
- Duration – up to 26 weeks
- Blended approach to learning
- SQA accredited qualification (SCQF Level 6)

Course Content

- Understanding business
- Human leadership
- IT and digital platforms
- Work-based challenge units – completed with one of our employer partners
